2nd Vice President

**If elected, how would your experiences and qualities benefit TACVPO?**

My experiences would serve as a tool to assist TACVPO board members and peers as I see this conference as a vital resource for the school certifying community to have. One of my qualities would be researching programs available to military students and families. Currently, working on final approval to begin Meals for Vets here at UMHB.

**Holding a position on the board will take time away from your daily duties so, it's important that you have the approval of your supervisor before accepting a seat on the board. Are you able to uphold the duties of this position for the 2019 term?**

Yes

**How does being a member of TACVPO benefit the Veteran Community?**

For fellow TACVPO members it gives us the opportunity to learn and hear the changes happening within VA in regards to rules and regulations. The ability to also network with fellow school certifying officials is vital and instrumental. For our veteran community on campus, it let's them know that we're aware of

the changes happening within VA or GoArmyEd and it gives them that sense of peace that we can serve as a go to resource when needed.
