

TACVPO is right around the corner!

Texas Veterans Commission, Veterans Education Department (VetsEd) appreciates your support of service members, veterans, and their families. Thank you for all you do to support them!

We talk with many of you on a regular basis, and some just occasionally. And, most of those conversations are done over the phone or through email. But...we'd love to talk you in person at the TACVPO Conference and sit with you one-on-one to answer any questions you might have.

On March 18, we will have some time set aside to speak with you personally. If you are interested in sitting down with our team, look at the [schedule](#) provided in the link, sign up for an available slot, and let us know what you want to talk about.

Please note that we will have two teams available: one for VA/SAA questions, and one for our State Programs. Please read below to ensure you set time the team that can best answer your questions.

- Please select a time with the "**SAA (Prgm Approvals/Compliance) Team**" for all questions related to GI Bill program approvals, compliance, or VA school certifying official processes, or similar.
- Please select a time with the "**TVC Hazlewood/Education Coordinators**" team for all questions related to the administration of Hazlewood benefits, assistance with supporting documents, providing veteran services on campus, connecting veterans to services, or similar.

Again, thank you for all you do! We appreciate the time and effort you give not only to our military community but to all those enrolled in your programs
