PROGRAM OFFICIALS

Save the date!!!!

Hello everyone,

It is with great pleasure for the Board and I to announce that TACVPO will be back live in 2022. While we had a successful 2021 virtual conference, we missed offering the extended sessions and training. Plus, there is just something about being in person that makes for a better experience!

We are contracted with the Omni Hotel in Corpus Christi for March 14th – March 17th, 2022 with the room rates of \$122.00 per night for a single room. If you want to come earlier or stay later, the hotel will honor that price if they have rooms available.

The tentative agenda starts with a “Welcome Reception” on Monday night the 14th with plenty of food and fun!

The conference will start bright and early on Tuesday morning and will run until noon on Thursday.

Please plan on attending more information to come!

Thank you,

Mary and the Board 😊
