TEXAS VETERANS COMMISSION

October 15, 2018

Dear School Official:

Based on the recommendations of the Higher Education Workgroup of the Texas Coordinating Council for Veteran Services (TCCVS) and per authority under 40 TAC §461.120(a)(4), the Texas Veterans Commission (TVC) is requiring institutions of higher education (IHEs) to report additional data into the Hazelwood Act database. The purpose for collecting the additional data is to provide additional veteran demographic data requested by the Texas Legislature.

The additional requested information is.

- Home of Record at Time of Entry into Active Duty
- Place of Entry into Active Duty
- Cumulative Active Duty Service
- Date of Entry into Active Duty
- Separation Date
- Character of Service
- Revocation Form (Form TVC-ED-5) on file
- Department and Component

We are providing this information to you now so that you can start the data gathering process.

The reporting of current Hazlewood Act data on the statutorily will remain. The new demographic data will be a standalone report and can be uploaded along with the current report. TVC is now programming an upload process for the new data. The programming will be completed no later than December 31, 2018, and will be immediately released to IHE officials with the administrator role in the Hazelwood Act database.

Thank you for your assistance is uploading this information to better serve our veterans and to assist Legislative decisions on the Hazelwood Act for the future. We encourage you to share this request with your leadership so that they have visibility of this request. Please do not to hesitate to contact me in the future with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sue Jevning".
