Job Title

Veteran Coordinator

Select the Board position that you are interested in.

President

If elected, how would your experiences and qualities benefit TACVPO?

I have served as 1st Vice President for the last three years and have learned that relationships do not entirely revolve our immediate loved ones. The connections we make as a member of the board or as a participant of this association are very important as we strive to learn more and become apprised of upcoming changes that affect our veteran community. With my combination of current job duties and acting as 1st VP, the skills I have developed have given me the confidence to serve as President of TACVPO .

Holding a position on the board will take time away from your daily duties so, it's important that you have the approval of your supervisor before accepting a seat on the board. Are you able to uphold the duties of this position for the 2019 term?

Yes

How does being a member of TACVPO benefit the Veteran Community?

When our SCO's are equipped with knowledge and support from our peers, they will have the confidence to provide five star services for their veteran student body. For most institutions, this conference is the main source of

training so, it's important that it is packed with current and useful information to get the mission done.

Is this a self-nomination?

Yes
